

Centora combine reaps award at Agro-2009

05/01/2009

Massey Ferguson's award-winning run continues with news of another top prize for the Centora.

MF's top-of-the range 7282 Centora conventional combine was presented with **The Best Equipment Award** at Agro-2009 held in Kiev, Ukraine. These prestigious AgroOlympus-150 awards are organised by the Ukrainian Agricultural Equipment and Technologies Forecast and Tests Research Institute.

This latest accolade for the Centora comes on top of a Silver Medal won at the first AgroSalon exhibition in Moscow.
