

## Ukraine's VR Chairman Volodymyr Lytvyn attends the 21st International Agroindustrial Exhibition-Fair AGRO-2009

Today, Ukraine's Verkhovna Rada Chairman Volodymyr Lytvyn attended the 21st International Agroindustrial Exhibition-Fair **AGRO-2009** which will take place from June 11 to June 14, 2009 in Kyiv and Kyiv region.

The Speaker marked positive changes in technological equipment of the agroindustrial complex. According to him, despite the fact that the equipment meets international standards, the most important thing is that urban residents could buy it. That is why it is necessary to increase purchasing power, Lytvyn said.
