

FC Dynamo Kyiv and AMAKO company: first step of productive cooperation

05.06.2014

FC Dynamo Kyiv official partner AMAKO company has been presented at the International Agroindustrial Fair AGRO-2014.

More than 900 participants from 16 countries took part in the event.

AMAKO exposition came to the attention of thousands of specialists and visitors.

The Ukrainian Cup trophy won by FC Dynamo Kyiv was put to the place of honour. By the way it can be called the first result of Dynamo and AMAKO company cooperation. Several months after the contract was signed such significant exhibit appeared in the White-Blues museum.

Dynamo representatives attended AMAKO stand at the fair. That were the first vice-president of the club **Vitaliy Sivkov**, sporting director **Olexiy Mykhailychenko**, vice-presidents **Olexiy Semenenko** and **Olexiy Palamarchuk** and talent scout **Andriy Bal**. AMAKO company CEO **Vitaliy Skotsyk** familiarized them with modern agricultural technologies. He also informed that cooperation agreement between the company and the club has been prolonged. It will be valid till the end of 2015/16 season!

The Ukrainian Cup was brought by Dynamo defender **Danilo Silva**. He also took part in a football competition and complied with the wishes of those, who wanted to get his autograph or to have their pictures taken in front of him.
