

## **Sulaimnay Chamber of Commerce and Industry contributed in AGRO 2014**

08/06/2014

The 26th International Agricultural Exhibition-Fair AGRO 2014 took place from June 4 to 7, 2014, in Kiev, Ukraine and organized by the Ministry of Agrarian Policy and Food of Ukraine.

AGRO is the leading exhibition for agriculture, agricultural machinery, livestock farming, alternative energy, organic agriculture and food industry in Ukraine. Furthermore AGRO is the largest agricultural exhibition of the CIS and Eastern Europe, and the most important state level event of Ukrainian agriculture.

The event will be demonstrated by the highest exhibiting companies of Ukraine and different regions of the world. The visitors got full information on latest products and services and demonstration of latest equipments of farming, agriculture, fishing, bio-fuels etc.

Sulaimany Chamber of Commerce and Industry participated in the International Agricultural Exhibition-Fair AGRO and they pointed out that the Exhibition prearranged and organized successfully. Also these agricultural machinery and equipment which showed in the fair were the high standard and latest technology used to produce them.

Dlwar Sofi Karem, SCCI representative, said "we are trying to bring and make these companies to take part in Kurdistan Region's International Exhibitions. Because Kurdistan Region needs these agricultural machinery and equipment essentially"

"Agriculture sector in Kurdistan Region require recuperate immediately because agriculture products can take a huge part in establishing Kurdistan economy. We hope that this sector restores very soon and our farmers get these new equipment and machinery to help to achieve improved agricultural sector."
